NEW LACKAMAS HYBRID RHODODENDRONS AND AZALEAS, Our own crosses.

Most of these well branched plants will bloom in another year or two.

FABIA X TALLY HO; unbloomed, compact, fine foliage, 12 inch size	\$2.50
TALLY HO X FABIA; same habit as above, more indumentum, 10"	2.50
AZOR X FABIA; moderate bushy grower.	3.00
MOSER'S MAROON X TALLY HO; splendid foliage, vigorous 12-15"	2.50
MOSER'S MAROON X AZOR; discolor traits should improve this type 10"	2.50
GRIERSONIANUM X PURPLE SPLENDOR; 2 year plants.	1.25
PURPLE SPLENDOR X TALLY HO; excellent foliage	1.25
MAXWELLI X MUCRONATUM; large lavender rose, spreading 12-15"	2.00
MUCRONATUM ROSEA; large rose-orchid, vigorous	1.50
MUCRONATUM var. PASTEL; large pale orchid, vigorous	1.50
OCCIDENTALIS X various GHENT HYBRIDS; large flowers, white, cream, pale pink, deep rose. Heavy specimens to 3' or over	\$7.50 to 10.00

***** OTHER RHODODENDRON HYBRIDS *****

***Azor (B); large salmonpink trumpet, June	15-18"	5.00
***Arthur Osborne (B); compact, dark scarlet, late	9-12"	5.00
***Broughtoni Aureum (B); yellow azaleadendron	12-15"	4.00
***Brittania (B); bright crimson, compact	12-15"	5.00
***Blue Peter (A); lavender blue, blotched purple 9-12" \$4.00, 15-18"	6.00	
Day Dream; pink form	15-18"	5.00
DIANE (FCC); large pale yellow	9-12"	4.00
Eureka Maid; larger than Pink Pearl 12-15" \$4.00, 15-18"	5.00	
***FABIA (B); large flowered form, orange yellow 15-18" \$5.00, 18-24"	6.50	
F.C. PUDDLE (A.M.); orange red	12-15"	5.50
**FASTIOSUM FLORAPLENA (A); double mauve	9-12"	3.50
GOLDSWORTH ORANGE (A); dichreanthum X discolor, pale orange 9-12"	4.00	
***HELEN FOX (D); crimson scarlet 12-15"	\$4.00, 15-18"	5.00
***J. H. VAN NES (B); lovely soft red	12-15"	4.50
***Md. Fr. J. CHAUVIN (B); rosy pink deep blotch	15-18"	5.00
***MARS (B); deep true red	8-12"	5.00
**Mrs. Chas. FEARSON (B); blush mauve spotted sienna 18-24"	5.00	
***Mrs. G. W. LEAKE (C); pale pink, purple blotch, 15-18" \$4.50, 24"	5.50	
**Mrs. Mary ASHLEY (B); salmon pink	15-18"	5.00
***Mrs. W. C. SLOCOCK (B); apricot pink, shaded yellow 15-18"	5.50	
**Mrs. R. S. HOLFORD (A); salmon pink, heavy specimens to 4 feet \$7.50 to 12.50		
**MARINUS KOSTER (B); large deep pink, brown blotch	9-12"	3.50
***PYGMALION (B); crimson scarlet, dark eye, 9-12"	\$4.00, 15-18"	6.00
***PURPLE SPLENDOR (A); deep purple, dark blotch 9-12" \$4.00, 15-18".	6.00	
***ROMANY CHAI (B); large deep scarlet 12-15"	\$4.00, 15-18"	5.00
***TALLY HO (C); bright scarlet, out standing	9-12"	4.00
***UNIQUE (B); pale yellow, compact	9-12"	3.50
***ZUIDER ZEE (B); lemon yellow, spotted, 9-12" \$4.00, 12-15"	5.00	

DECIDUOUS AZALEAS

ALTACLERENSE; deep yellow and orange, 24"	\$2.50,	3-4 ft.	4.00
FLAME (MOLLIS); salmon, vigorous, 18-24"	2.50,	3-4'	4.00
LUTEUM (specie); bright yellow, 15-18"	2.50,	18-24"	3.00
SPECIAL combination; Altaclerense & Flame grown in same bush, blend together beautifully, heavy specimens, 24-30"			4.50
CRACIOSA; Ghent occidentalis hybrid, large pink, orang yellow eye, from cuttings and layers,		18-24"	5.00
DELICATISSIMA; Ghent hybrid, pastel pink, cutting grown		15-18"	4.00

EVER GREEN AZALEAS: STURDY FIELD GROWN PLANTS

Page 2

KUR. -kurume, dwarf	MAC. -macrantha, late bloomer
MUC. -mucronatum, large flowers, strong grower	
sizes 8-10" . . . \$1.00, . . . 12-15"	\$1.50 <u>except where noted</u>
Anoena . . Kur. . Brilliant cerise, dense grower, very showy	
Beni-Kirin . . Mac. . orange red, double, very late	
Bridesmaid . . Kur. . deep coral, unusual shade	
Chas. Ehnike . . Kur. . large white, splashed red, spreading	
Hexie . . Kur. . deep crimson, H-H, round bush	
Hinodigiri . . Kur. . brilliant scarlet, very showy	
Hinomayo . . Kur. . beautiful soft pink, small foliage	
Kin-taoe . . Kur. . light coral shaded orange, new and choice	
Marie Ehnike . . Kur. , large white, spreading habit	
Macrantha double pink, strong grower, late June-July	
Macrantha orange red, large, very showy, late	
Mellow-Glow . . Arnoldiana . . cerise pink, golden suffusion	
Pink Gumpo . . Mac. . large pale pink, deeper shading, spreading	
Purple King . . Kur. . medium large purple, H-H, spreading	
Pride of Mobile . . Muc. . large single, deep lavender	
Sakuagata . . Mac. . crimson, white throat, strong spreading, late	
Salmon Queen . . Kur. . unusual shade of bright salmon	
Snow Queen . . Kur. . snow white, H-H, very fine	
Mucronatum -lavendar . . bright deep lavender	
" -floraplena . . double, pale lavender, leaves smaller than type	
" -Sekidera sport . . large rose lavender (Magnifica Rosea)	
" -Alba . . large pure white	
" -Sekidera . . large white, rose red eye	
" Alba- and Sekidera in all sizes 24" . . \$3.00	

RHODODENDRON SPECIE

A few of these that are constant in form and quality are raised from seed, many grown from cuttings and several varieties that bloom slowly from seed are grafted and start blooming years ahead of the seedling forms.

****arboreum; scarlet; stood the 1949-50 winter, evidently quite hardy	
sturdy plants. 12-15" . . \$2.50, 15-18" . . \$3.50, 18-24" . . \$5.00	
****croceum; pale yellow, crimson blotch, grafted . . 9-12" 4.00	
****cinnabarinum (B); orange red tubular flowers . . . 15-18" 2.50	
**chartophyllum(var. Praecox) (B); described by Jos. Rock in A.R.S.	
bulletin of Nov. 20, '48. 12-15" \$2.00, 15-18" 2.50	
***ciliatum (B); compact shrub to 3', heavy bloomer, 2" white flushed pink	
will stand full sun. 9-12" . . \$2.50 . . . 12-15" . . . 3.50	
**decorum (C); sweet scented white, seedlings are from selected compact	
form, vigorous grower, 15-18" . . \$4.00, 18-24" . . . 5.00	
**decorum (C); selected pink form 15-18" 4.50	
deleiense (C); dwarf Boothi, deep rose 12-15" 3.00	
***Exquisitum; one of the finest of the triflorums, compact grower	
lavendar rose 9-12" 2.00	
**fulvum (B); shrub or small tree, brilliant orange under leaf,	
rose, crimson blotch, grafted 9-12" 3.50	
***Fortunei (B); one of the finest specie, should be in every garden.	
pinky lilac, fragrant 12-15" 4.50	
****Griersonianum (D); geranium scarlet, 12-18" . . \$5.00, 18-24" . . 7.00	
****hippophaeoides (A); dwarf blue, rock garden 12-15" 3.00	
***intricatum (A); dwarf bushy, lavender blue, 9-12", \$2.00, 12-18" 3.00	

RHODODENDRON SPECIE cont.

Page 3

maximum (A); vigorous grower, white to rose, July, . . .	12-15"	•	\$5.00	
***moupinense (B); small spreading, flush pink	6-9"	•	2.00	
***racemosum (A); out standing rock garden dwarf, miniature pink trusses 6-9" . . .	\$1.00, 9-12" . . .	\$2.00,	12-16"	3.00
***Schlippenbachii (B); pinkform, colorful fall foliage. This form has large leaves and flowers. 15-18" . . .	\$4.00	18-24"	5.00	
Smirnovi (A); sturdy bush, ruffled pink flowers	6-9"	•	2.00	
***tephropeplum (C); compact to 33', pink tubular flowers in May, fine for rock garden	9-12" . . .	\$2.00	12-15"	3.00
***Thompsonii (B); blood red, grafted, 9-12" . . .	\$4.00 . . .	12-15"	5.00	
***venator (C); 2" bells, hunting coat scarlet, compact shrub, recently introduced & much in demand	9-12"	5.00		
**vernicosum (B); sturdy shrub, rose tinted, fragrant . . .	9-12"	2.50		
***Williamsianum; very low spreading form, clear pink bells 2 years 3-4"	\$1.50, older plants	3.00		

We have a limited number of many more choice specie and hybrids not listed here, also propagating our new hybrids as rapidly as possible. If you want some special plant, no doubt we have it and will be glad to quote prices or inform you as to where it may be purchased.

ALL SHIPMENTS WILL BE SENT EXPRESS COLLECT
No charges for packing except on heavy specimens

Checks or Postal Money orders should accompany all orders, and will all Washingtonians please remember the sales tax.

The public is cordially invited to visit our Gardens located just north of Camas city limits on Lake Road, where these plants may be observed in our home grounds. Several sections are devoted to our own hybrids. We have endeavored to place all plants in the various environments required for the different types.
